

**Accelerate Your Tanium
Practice with Arrow**

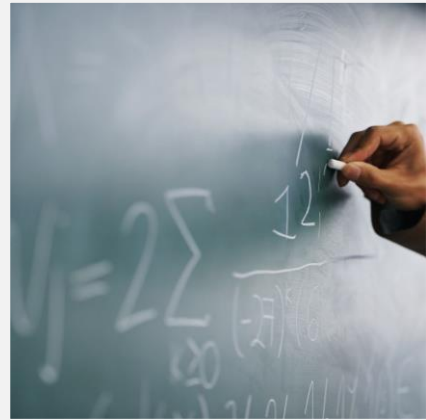

Exclusive Arrow Resources for Tanium Partners

White-glove support to help you accelerate revenue generation & operating efficiencies

Dedicated Representatives

Regionally-embedded, Channel Specialists that act as an extension of your sales, technical and marketing teams.

Tanium Expertise

Our team is trained by Tanium in their technology, programs, processes, and GTM model.

Operational Excellence

Simplified config-to-order process, sales playbooks, and field alignment between your reps and the Tanium reps.

Functional Capabilities

Providing a single point of entry to leverage functional business growth capabilities, marketing, engineering, and services.

Performance Visibility

Digital tools from enablement, to pipeline, to renewal, to improve your overall vision into your Tanium sales practice.

For more information, contact your dedicated Arrow Tanium Channel Specialist or email TaniumSales@arrow.com
